

OUR POLICY

To be a leading organization in the catering sector of tourism in Turkey

- and to become a brand, to reach a wider audience by becoming institutionalized and to exist and continue as a reputable organization,

To continuously improve our facility by evaluating possible risks and

- opportunities with new technologies and efficient use of resources, to ensure traceability, to fulfill applicable conditions,

To increase customer satisfaction by offering the perfect product/service in accordance with the standards and food legislation and to give this

- service consistently and on time in a manner that will gain the trust of the customers.

- To ensure continuous development with trained personnel with team spirit,

- To be a sought-after organization in the sector with its product and service quality and to ensure the continuity of respectability,

- To fulfill our compliance obligations, to be sensitive to the natural environment, to contribute to the prevention of pollution,

- It is our Facility Policy to work in cooperation and trust with our suppliers.
